

5th Grade News

September 26, 2022

Announcements

Cafeteria News:

We are always trying to make the cafeteria a more enjoyable experience for the students and staff. Next week (October 3rd – 7th) we are tweaking lunch times and procedures just a little to see if we can make the flow of classes more efficient and bring down the noise level in the café. Since we are trying this new process next week, we are asking for no lunch visitors for the week of October 3rd. You are welcome to check your child out and have a car picnic or eat at one of the picnic tables out in front of the school. We just ask for no additional visitors in the cafeteria next week. We will resume normal visitors the week of October 10th. Thank you for your understanding while we try to improve our café experience!

-Mrs. Wagner

Yearbook Dedications

Parents - You have ONE WEEK left to complete a FREE dedication for your 5th grader. The system will close at 11:59pm on Friday, October 8. I cannot go back into the system after the fact to add a dedication.

****As of Thursday, September 29 at 11am, only 26 out of 139 students have a dedication in the system.**

Every 5th grader can have one if a parent fills it out on the Jostens website. You must create an account if you don't already have one. Questions - jessicaschumacher@me.com

Jekyll Chaperone News: Thanks so much to the 37 applicants we had for Jekyll! The team in reviewing the applications and will send out selection letters next week!
