

FIFTH GRADE NEWSLETTER

Week of : August 22

| Subject | Unit | I can statements | How you can help at home |
|----------------|---------------------------------|--|---|
| Reading | Narrative Nonfiction | I can answer questions about a narrative nonfiction. | Have your child read nonfiction books. Ask them what its about. Specifically, go to a chapter and ask, "What is the main idea of this chapter?" And ask for details to support the main idea. |
| Writing | Argument/ Opinion | I can form an opinion and give reasons to back up my opinion. | When talking to your child about their opinion on things, ask them to give actual reasons. Ex: I think the Pittsburgh Steelers are the best because they have won 6 Superbowl's. |
| On Math | Powers of Ten | I can compare digits in whole numbers based on the base ten system. | <ul style="list-style-type: none"> Review multiplication and division with your child. Simple math fact fluency. Ex: 6×7 72 divided by 9 |
| Adv. Math | Geometry | I can classify polygons by their attributes. | <ul style="list-style-type: none"> Talk about different types of polygons other than squares, rectangles, trapezoid. Have them point out different angels of doors and use parallel and perpendicular |
| Acc. Math | Adding and Subtracting Decimals | I can multiply and divide decimals. | <ul style="list-style-type: none"> Add up receipts from the grocery store Estimate amounts to help check if answers are reasonable |
| Social Studies | Turn of the century | I can discuss important events, people, and inventions from the turn of the century. | <ul style="list-style-type: none"> Ask about the people, events, and inventions discussed in class. (Teddy Roosevelt, Cattle Drive, etc.) |
